

	Drinking-Water Quality Management System	Revision No:	6
	Policy Statement QMS 02-01 Commitment and Endorsement QMS 03-01	Revision Date:	July, 2023

Policy Statement (QMS 02-01)

The Township of Guelph/Eramosa:

- owns, maintains, and operates the Rockwood Water Supply/Distribution System and the Hamilton Drive Water Supply/Distribution System, and
- owns the Gazer Mooney Distribution System that is operated and maintained by the City of Guelph.

The Township of Guelph/Eramosa is committed to:

- Providing the consumer with clean, safe drinking water.
- Maintaining and continuously improving the quality management system.
- Meeting the applicable regulations and legislation associated with drinking-water systems.
- Sincerely focusing on consumer needs and communication concerning matters of drinking-water quality and quantity.

Commitment and Endorsement (QMS 03-01)

Top Management's commitment to an effective Quality Management Standard (QMS) is evidenced by:

- ensuring that a QMS is in place that meets the requirements of the Drinking Water Quality Management Standard (DWQMS),
- ensuring that Operating Authority staff are aware of all applicable legislative and regulatory requirements,
- communicating the QMS according to procedures (as per QMS 12), and
- determining, obtaining, or providing the resources needed to maintain and continually improve the QMS.

This document will be updated within six months of changes to Owner/Council.
